Friends of Boston's Homeless

Friends of Boston's Homeless supports Woods Mullen Shelter in Boston's South End and Long Island Shelter on Boston Harbor. These shelters serve over 800 of our community's homeless every day (about 70% are men and 30% women), providing safe dignified care and basic emergency services: a nutritious meal, hot shower, and a warm bed to each and every individual in need.

In addition, Friends supports solution-oriented programs that help our community's homeless move beyond shelter including Job Training, Adult Education & Literacy, Life Skills Development, Employment Services, and Transitional and Permanent Affordable Housing.

On behalf of Friends of Boston's Homeless and the people we serve, we thank you for joining us in our efforts.
